

BEACH TIPS FOR DOGS

Help keep our dogs safe this Summer!

Watch for signs of overheating

Includes excessive panting, coordination issues, vomiting, bright red tongue, or thick saliva

Bring plenty of drinking water

Cool fresh water with a portable bowl are key to keeping your pup happy and healthy at the beach

Follow beach rules!

Make sure the beach allows dogs, clean up after your dogs, make sure they have tags or ID collars on, follow leash laws, up to date vaccinations, no females in heat, and no puppies under 4 months old

Be health conscious and clean

Make sure flea and tick meds are up to date, give a good bath after each day out, put a life vest on poor swimmers, and bring extra towels
